

## Call for Poster Abstract Submissions for the 2012 Annual Nevada State Climate Change Meeting

Nevada's NSF EPSCoR program invites you to submit an abstract to present a poster at the 2012 NSF EPSCoR Annual Nevada State Climate Change Meeting.

The meeting will take place Monday, February 13, 2011 at the Rogers Auditorium in the Nevada Atomic Testing Museum, Las Vegas NV.

### Who should submit an abstract?

NSHE faculty, postdocs, and students, or Nevada stakeholders conducting research on climate change.

### Abstract Preparation Guidelines

Abstracts should have 1" margins, and be single-spaced, using Times New Roman, 12-point font with a maximum word count of 300 for the Abstract Body. Please include the following information in the Abstract.

- 1<sup>st</sup> Line: Title of research
- 2<sup>nd</sup> Line: Authors and affiliations (underline presenting author)
- Abstract Body: Please include the goals, general approach used and major findings of the research (300 words maximum)

Please also indicate if presenting author is a graduate or undergraduate student.

Abstracts must be submitted in MS Word format by **Monday, January 9, 2012** to Michele Casella, NSF EPSCoR Education, Outreach & Diversity Administrator, at [michele\\_casella@nshe.nevada.edu](mailto:michele_casella@nshe.nevada.edu).

You will be notified by January 20, 2012 as to whether you have been selected to present a poster at the Annual Climate Change meeting.
